

CYC regrets to announce a temporary suspension of reciprocal privileges for the 2020 season due to COVID-19. The CYC is closed for this season, however, the Marina is open and will welcome guest boats according to the Marina's usual fees, policies and COVID-19 restrictions. The Marina will operate with significantly reduced staffing and would very much appreciate your patience, understanding and compliance with social distancing and other COVID-19 protocols. The gas dock and pump-out are open. Booking ahead with the Marina at [905-372-2397](tel:905-372-2397) is very strongly recommended especially as space for Transients will be at a minimum due to separating boats on the docks. Calling in, upon arrival, on VHF Channel 68 to get a dock assignment is essential so that the Marina can separate boats as much as capacity allows. We look forward to being back in full operation in 2021.
